

Lamoine Comprehensive Plan Committee

Meeting with Lamoine Select Board

Name of Group: Lamoine Select Board

Date of Meeting: 10/8/2015

Chair or contact person: Gary McFarland (Stu Marckoon)

Phone number: Town Hall: 667-2242

Number of people attending: 14

LCPC: Fred, Kathie, Val, Brett, Bob, Bonnie and Mike

Select Board: Gary McFarland, Heather Fowler, Nathan Mason, Bernie Johnson, and Jo Cooper, with Town Administrative Assistant Stu Marckoon

Others: Jeff Cosulich.

Focus or primary responsibility of group: Governing the Town of Lamoine under the direction the Town Meeting.

Work of this group in actively planning for the future: Ongoing. The School is being wired for filming meetings too large for the Town Hall. The Select Board plans capital expenditures several years out as best as possible.

Expressed concerns of group relating to focus or primary responsibility:

Lack of adequate internet access throughout the town

Lack of mobility and connectedness among the elderly in Lamoine's graying population

Need to recruit young families

Attract appropriate businesses to the Town, such as those providing services for the elderly, house construction, and marine-resource-based businesses

Limitations of the current Town Hall, particularly if the population and workload grow

Interesting facts/ideas that came out of the meeting:

There are perhaps 40 approved subdivision lots that are unimproved and they may provide affordable housing for young families
